OVERVIEW

AP&S' Business and Corporate Group offers a broad range of sophisticated business counseling and transactional services to domestic and international companies of all sizes. Whether your business is a start-up or established family business, a publicly traded corporation, a partnership or a not-for-profit organization, our experienced and responsive team works to know your business and provide quick, effective turnaround and conscientious follow-through – across a full spectrum of business matters. We are passionately committed to working in partnership with our clients to achieve their goals.

We represent a wide variety of clients such as:

- Foreign-based multinationals
- U.S.-based public companies
- Emerging companies
- Family-owned businesses
- Entrepreneurs
- High-net-worth individuals
- Government and economic development agencies
- Financial institutions
- Utilities
- Colleges and universities
- Non-profit organizations

Our industry experience spans manufacturing, distribution, construction, health care, real estate, financial services, retail sales, energy, utilities, public relations, advertising, technology, professional services, and more.

As your legal counsel, we focus first on understanding your operations, products, personnel and market to create innovative, no-nonsense business solutions that save you time and money. Our clients praise our attorneys for their responsiveness,

legal knowledge and pragmatic problem solving.
