

Commercial Finance

Overview

The AP&S Commercial Finance Group offers sophisticated and nuanced counsel combined with in-depth financial market knowledge. That's why regional, national and international private and public borrowers and lenders count on us to structure and close deals across a full range of secured and unsecured transactions.

Lenders trust us. We work with banks, insurance companies and other institutional lenders, both here and abroad, both privately owned and publicly traded. Our blue-chip clients include senior lenders, providers of mezzanine financing, subordinated lenders, issuers of letters of credit, and equity participants.

Borrowers capitalize on our extensive experience in traditional middle and upper-market lending transactions as well as on our deep, industry-specific knowledge. We have structured and closed a range of deals – involving precious metals consignment, hotels, convention centers, parking garages, golf courses and other recreational properties, energy facilities, newspapers, water and sewer treatment plants, health care facilities, and leveraged ESOP plans.
