Update on Our Legal Services

As part of a strategic realignment of our practice areas, we have made the decision to close our Trusts & Estates practice group, effective immediately, and will no longer be offering legal services in this area. This change allows us to sharpen our focus and resources on the areas where we see the greatest opportunity to serve our clients and community.

We are proud of the work our Trusts & Estates team has done over the years and are grateful to the clients who entrusted us with their important personal and family matters. We remain committed to ensuring a smooth transition and are available to assist with referrals or answer any questions related to this change.

If you are a current or former client with questions regarding your estate planning documents or ongoing matters, please contact Joanne Cournoyer at jcournoyer@apslaw.com or 401.274-7200.

Thank you for your continued trust in our firm.
